Goodbye and Good Luck!!

We will miss you!!

Rarely does someone
get to influence a person's life
in a positive way,
for a lifetime,
as an educator can,
fostering optimism and
confidence,
providing knowledge that
leads to success,

To the Class of 2010

On behalf of the North Shore Regional Vocational School Committee, congratulations for your achievements and accomplishments as a graduate of the class of 2010.

As we reflect on 2009 and 2010, one of us is ending a career as Superintendent as another starts one. The one major factor of pride and enjoyment for us has been working with the class of 2010. We have such great memories of the many accomplishments of the class of 2010. All of you have been the flagship for success at North Shore Technical High School for all of the underclassmen. You have been innovative, creative and high achievers excelling at every task or challenge put before you, both in the classroom and in co-curricular activities.

Your class will always remain special to us and we know you will have a positive impact on the 21st century. We are proud of you and wish you great success in your future endeavors.

Sincerely,

Daniel R. O'Connell
Superintendent-Director 2010

Amelia O'Malley

May 2010

To the Class of 2010:

The Class of 2010 will forever be special to me. You were the seniors who welcomed me in January, and now are the graduates who bid me farewell at the end of my tenure as Interim Principal. I want to take this opportunity to congratulate each and every one of you. During the past four years you have dedicated yourselves to your academic and vocational studies and have had the opportunity to enrich your high school experience by participating in co-curricular activities. Your hard work and perseverance at North Shore Technical High School have earned you the distinction of being a graduate.

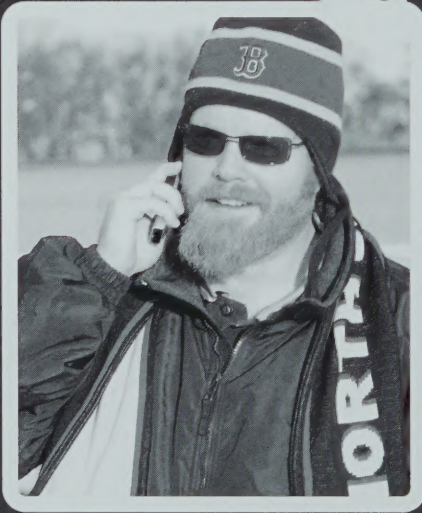

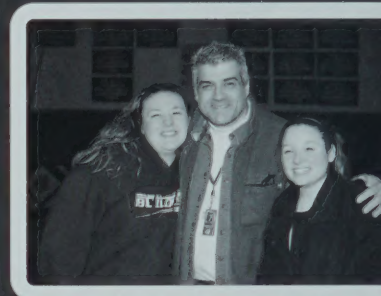

The next step after high school will require the same commitment and dedication that has brought you to this point. You now have the advantage of being a graduate of a high school that has provided you with excellent academic and technical skills. I look forward to hearing great things about you in the years to come as you continue your education, embark on your careers and establish yourselves as productive citizens.

I join the entire faculty and staff in wishing each one of you much success in your future endeavors.

Sincerely,

Mary E. Kroesser

★ Prom 2009 ★

Oh what a night...

*A magical night full of Music and romance,
It is magic, it is a ball*

To go to my senior prom

It is full of passion, laughter, and tears

To say goodbye to your friends of 4 years

*To hold each other close, when the music is just
right*

Only to catch the tears as you say your goodbyes

Prom is a time of fun, but also the door to the future

*You lose track of your buddies as they track the
world over*

So live for the moment, for that's all we have

Dance, kiss, and joke, 'till the last balloon falls
